

KNOW YOUR NUMBERS HEALTH FAIR

The O'Neill Center
Friday April 24th
10:00 am – 1:00 pm

Join the area's finest health care providers for a day of screenings and information.

Your health fair visit will begin by picking up your "Know your Numbers" booklet. Cholesterol screening will require a 12 hour fasting and pre-registration and there is a limit on the screenings available for this service. Blood sugar, blood oxygen, blood pressure, driving brake reaction, BMI, posture and thermo-graph will be some of the other screenings available. Don't forget to stop by Beth Zwick's massage area to make sure you are relaxed before leaving.

Special thanks to the following providers:

Health Care Plus (Cholesterol Checks)

Arbors of Marietta (Blood Pressure)

Heartland (Booklets)

Marietta Memorial Hospital-Drivers Rehab (Brake
Reaction)

Medi-Gold (Blood Oxygen)
