

Securing the future for area seniors

O'NEILL CENTER

Annual Report 2018

Helping area seniors live HIP: Healthy,
Independent & Productive lives

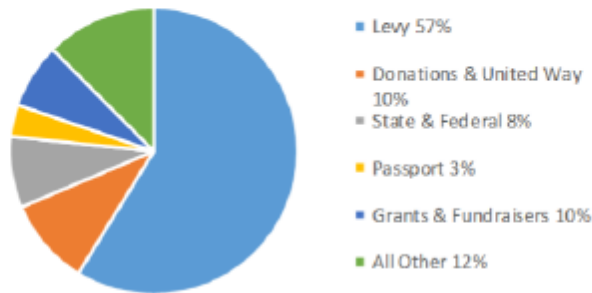

MISSION

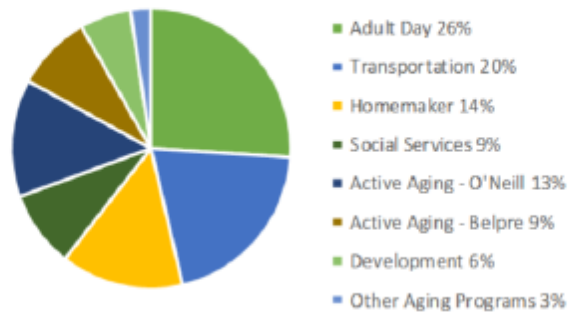

The mission of O'Neill Center is to advocate for and provide specialized services, programs, and volunteer opportunities, which help seniors live healthy, independent, and productive lives. In short, we help seniors be HIP:

Healthy, Independent, and Productive.

Revenue & Support

Community Investments

ABOUT OUR SERVICES

Nearly 2,400 older adults, living here in our community, received service or participated in the O'Neill Center's programming over 72,000 times in 2018. Those are numbers we are proud of because we know we are impacting our community. The O'Neill Center remains committed to helping area seniors live Healthy, Independent and Productive lives.

Active Aging—Enriching, engaging activities that promote healthy, independent living.

In 2018, over 1,500 participants visited over 40,000 times enjoying fitness programs, health related activities, educational programs and enjoyed social activities. Locations include Marietta and Belpre Senior Center. Additionally, classes are offered at various locations throughout the County so participants can take advantage of programming close to home.

Adult Day Services—A home away from home where friendships develop and caregivers are offered peace of mind while they attend to their own lives. In 2018, over 5,700 days of service were provided to some of Washington County's most vulnerable adults.

Homemaking—Everyday chores are performed so seniors can continue living in their own homes. In 2018, homemaker aides provided nearly 5,000 hours of in home service to mostly disabled adults who can now remain living healthy lives in their homes, where they prefer to age.

Social Services—Provides the tools seniors need to make informed decisions and also offers a connection to important services and benefits. In 2018, services provided included prescription assistance; benefits enrollment; Medicare part D and supplemental insurance guidance; and much more.

Transportation—Providing rides to doctors offices, treatment centers and social services organizations. In 2018, drivers helped seniors travel to important destinations logging 143,000 miles, providing over 11,400 trips with an average of 14 miles per trip.

PARTNER AGENCY

Clients experience improvements in overall health through attendance and participation.

"I always have an enjoyable time with the staff and participants (Friends) when I come. It's a great opportunity to meet together and share our feelings, lives, and kinships together."

Day Center Client

Clients living area improves in cleanliness and has less safety hazards.

"I am very Satisfied with all services. Thank you so much."

Living Assistance Client

Client feels less stress when choosing a plan as a result of receiving Medicare counseling.

"I received much help choosing a plan and answering questions for me. Would recommend to others as it is stressful trying to get needed information to decide."

Social Service Client

Client feels positively about their service, more independent and maintain health status as a result of this service.

"I do not know how I would get my treatments without your help. I sure do appreciate your help. Thank you very much."
