

Social Services Department. Provides information and referral services; senior advocacy; and general assistance accessing entitlement programs such as QMB, SLMB and Medicare programs.

Prescription Assistance for Seniors. This program helps seniors receive FREE prescription medications that may be too expensive for seniors with high medical expenses and limited incomes. You must be 60 years or older, reside in Washington County and meet the eligibility requirements of the drug company. Hundreds have received FREE medications. Call to schedule an appointment. 373-3914.

Health Screenings. Blood pressure and blood sugar screenings are offered on a regular basis and special screenings occur throughout the year. Special screenings will be listed in the newsletter and on the O'Neill Center website.

Educational Programs. The O'Neill Center offers many educational programs designed especially to provide seniors with meaningful life-long learning experiences. See our newsletter for up-to-date information on available classes and lectures.

Trips – Social Opportunities. The O'Neill Center is a great place to make new friends and meet old ones (see partial list of activities on back). Day trips are popular, offering a great way to enjoy shows and other major attractions. See our newsletter or web site for up-to-date schedules.

Newsletter. O'Neill Center publishes a quarterly newsletter to keep seniors up-to-date on activities at the Center. The newsletter is FREE and there *are no dues or membership fees* to be a participant at the O'Neill Senior Center. If you wish to receive the newsletter just leave your name & address with the front desk attendant or simply download from O'Neill Center's website.

Transportation. The O'Neill Center provides transportation services to and from medical appointments as well as to and from O'Neill's Adult Day Center. It is important to schedule your trip in advance if possible. The Transportation Coordinator is available to take your calls Monday through Friday, 8:00 AM – 4:00 PM at 373-3914.

Homemaking and Living Assistance. The O'Neill Center provides regular assistance to seniors who can no longer perform routine housekeeping chores such as light cleaning, laundry, essential errands, or meal preparation. The program manager makes an in-home visit to help determine individual needs and plan of care. Those who require only occasional or one-time help with heavier household tasks or minor household maintenance are also assisted. Call the living assistance program coordinator 373-3914 for further details.

Homemaker Respite. This program offers relief and assistance to family caregivers who care for a loved one with Alzheimer's Disease. A homemaker aide comes to the home and may perform basic housekeeping tasks if needed, or simply be there to give the caregiver some much needed rest or time to themselves. Available for any person diagnosed with Alzheimer's or related dementia and who resides in Washington County. Phone the O'Neill Center at 373-3914 for more information.

Adult Day Center The O'Neill Center provides an adult day health service for the senior who may need protective oversight, socialization, health monitoring, personal care, or assistance with other activities of daily living. The day service provides a safe and friendly environment with enjoyable activities to keep mind and body active. Transportation is available when needed and is provided by our transportation department. For more information about this care alternative call the Day Center manager at 373-3914.
